

METICULOUSLY MADE

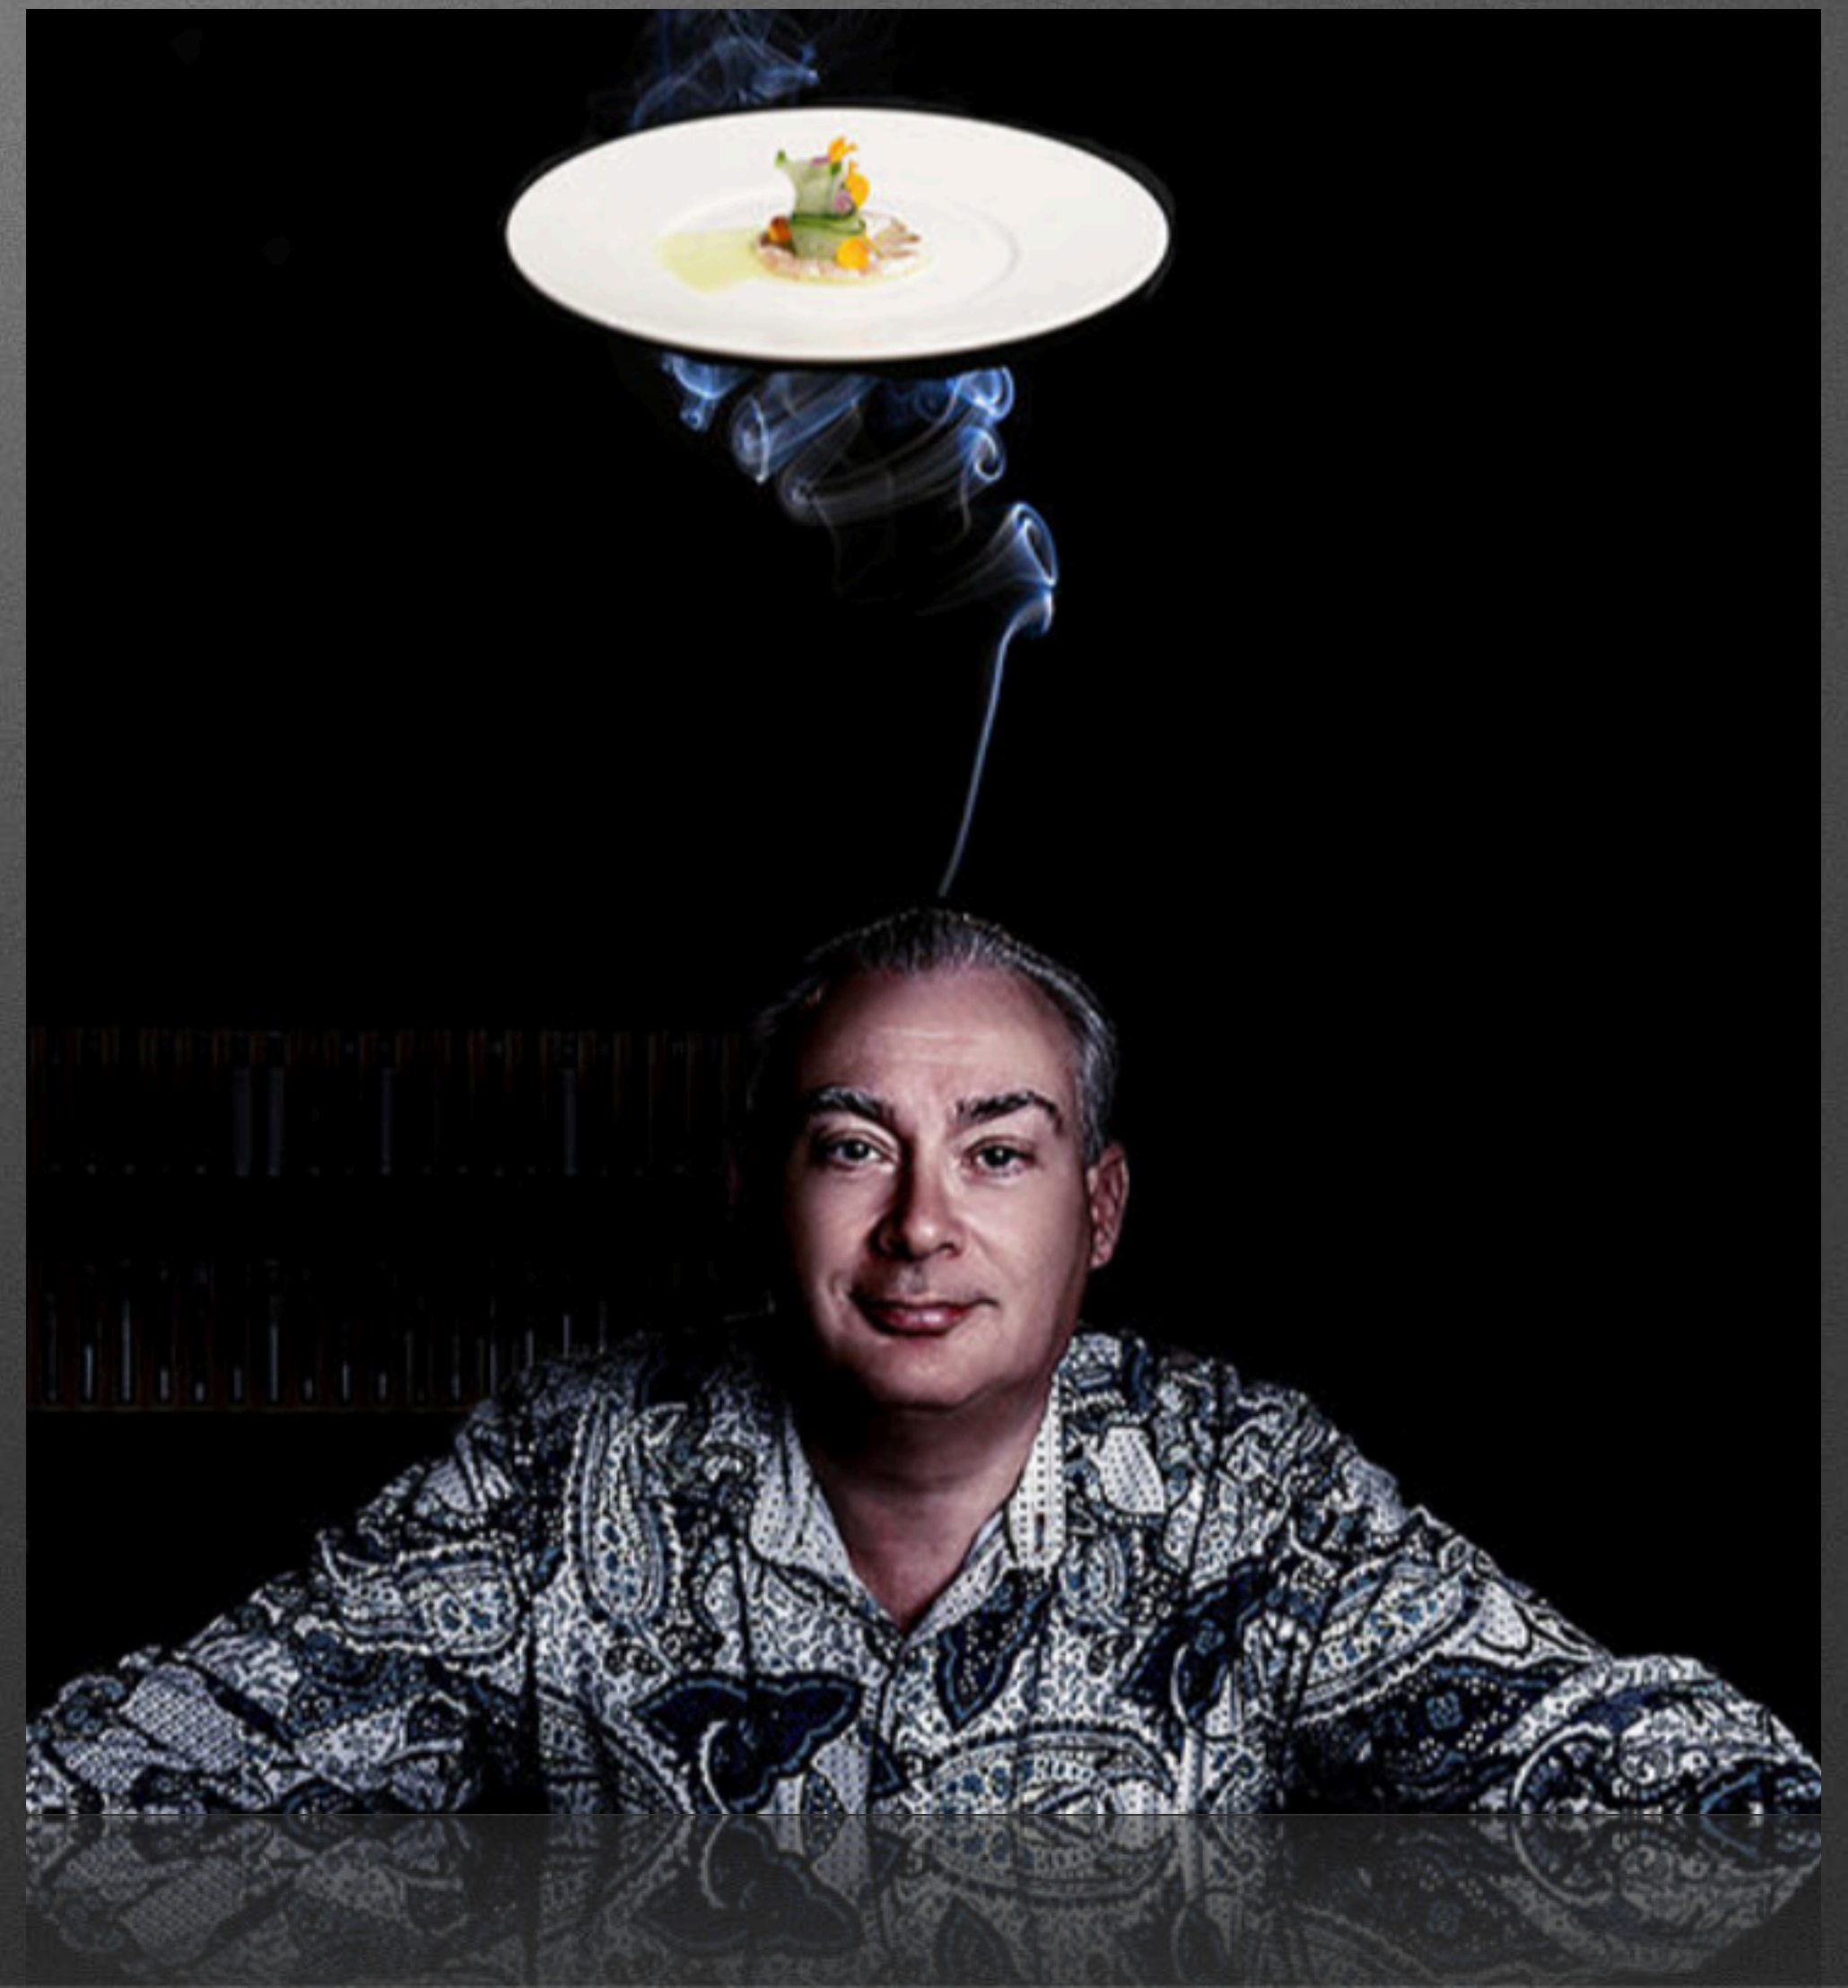

THE ARMY OF ARTISANS
BEHIND EVERY GREAT PLATE

CONCEPT

Join Chef David Skinner aka “The Willy Wonka of Food” as he traces the imagineateurs behind the culinary world’s great ingredients, interiors, infusions and innovations.

His journeys and in-depth conversations will examine the countless moving parts behind the scenes, that add up to unforgettable edible experiences in unexpected delicious destinations.

The butchers, the bakers, the candlestick makers...not forgetting the growers, vintners glass-blowers, florists, interior designers, potters, cutlery makers, sommeliers, scent scientists, artists, musicians and chefs who all contribute their notes to the symphony that is fine-dining.

FOR FANS OF...
